GRADUATE MEDICAL EDUCATION PROGRAM REQUIREMENTS
Clinical Research Rotations

In preparation for completing this Clinical Research Rotation Request, learners must review the following documents available on our website:

- Compliance Packet
- HIPPA
- Providence Code of Conduct

Then, complete all information requested, making sure all signatures, initials, and dates are filled in. Take note of what is to be included in the 'complete packet' and compile it as **one pdf attachment**. We request a lead time of **4 weeks** to process the application due school affiliation requirements.

In an effort to reduce paperwork, Providence Health & Services will accept the signed Program Attestation (page 3) from your program/school **in lieu** of the background check, 10 panel drug screen, and immunization verification. Please note this must be completed and signed by the School/Program Director. If you choose to use the Program Attestation, please note that Providence reserves the right to require the documentation, if deemed necessary, and you must produce it within 1 day of the request.

Complete Research Rotation Request Packet

Please send all documents in this request packet as **one pdf attachment.**

Applicant Behavior, Conduct and Performance Expectations

I shall maintain current licensure, board certification (where appropriate), adequate experience, continuing education and training to maintain proficiency in the area(s) of specialization (current professional competency); utilize good judgment as to my capabilities and limitations; and be of adequate physical and mental health status, to the satisfaction of the Community Ministry Boards. Further I shall maintain and provide documentation of the above, on request, qualifying that I am professionally competent and the patients I treat can reasonably expect to receive quality medical care (as appropriate).

I shall clean my hands with alcohol hand rub or soap and water before and after every patient contact to protect patients from hospital acquired infections. I shall abide by all State and Federal laws and regulations and shall abide by the ethical principles of state and national professional associations and societies appropriate to my professional education and licensure. I will work cooperatively, collaboratively and constructively with other health care member and with the health system and hospital employees to maximize the quality of patient care and to avoid disruption of the patient care and operation of the hospital. This included but is not limited to the following professional expectations:

- Treat all patients, families, Members and health system employees with respect, courtesy, and dignity, in language and nonverbal behavior.
- Provide information to patients about their care to ensure informed decision-making, including a documented informed consent discussion.
- Participate actively and constructively in established processes to avoid potential harm to patients including surgical and invasive procedure verification (patient, procedure, site), and in resolving system problems that have the potential to harm patients.
- Maintain confidentiality in all health care matters.
- Assure that all interactions with health system employees are free of hostility; verbal mental and/or physician harassment, intimidation, sexually suggestive or explicit behavior, retribution implied or explicit on campus or in the community, behavior that is profane, vulgar, or demeaning toward others, violations of reasonable personal space,
- Assure that conflict, described in objective behavioral terms, is resolved in a professional, constructive manner, through established mechanisms, and in a confidential manner when performance or competence issues arise, refraining from derogatory or demeaning comments to others,
- Conduct care in a way consistent with the faith tradition of Providence Health & Services, as expressed in such places as the Ethical and Religious Directives for Catholic Health Services, and to make use of the ethical resources available, such as the ethics consultation team at the specific facility or the Providence Center for Health Care Ethics when there are questions regarding these directives or general ethical principles.

Providence Non-Employee Behavioral Standards & Privacy Attestation

Behavior

- All Providence clinical research opportunities are a privilege. It is expected that students performing clinical research at a Providence facility will conduct themselves in the behavior and decorum expected of a clinical professional.
- Students are expected to fully participate in learning activities and demonstrate active listening skills, eye contact, a positive attitude and positive non-verbal communications. Students are to eagerly engage in dialogue with staff and to be accepting and encouraging of other students as they learn.
- Any Providence employee may remove the student from the clinical research environment if it is suspected that the student is under the influence of drugs or alcohol, the care provided by the student is assessed as unsafe for the patient, or if the student is unprepared for the clinical research experience.

Respectful Treatment

- Providence facilities are places of business and faculty and students are expected to exhibit a professional demeanor and appearance at all times.
- Students and faculty will adhere to providence facility dress code and policies and wear appropriate ID badge(s) any time they are at the facility for clinical research related activities.
- All Providence staff, vendors, contract personnel, volunteers, school personnel, students, patients, their families and visitors shall be treated in a respectful dignified manner at all times. Language, non-verbal behavior gestures, attitudes and activities shall reflect this respect and dignity of the individual at all times.

Drugs and Illegal substances

- Regardless of the legality of a drug, Providence is a drug free environment. Students and faculty are expected to abstain from the personal use of drugs while performing clinical research at any Providence facility.

Photography, Cell phones/electronic devices, and Social Media

- Cell phones are not allowed in any clinical procedural area (OR, endoscopy, catheter lab, etc.). Please leave them at home, in your car, or in a locker in the scrub change area.
- Students may bring cell phones to non-procedural areas, but they should only be used for emergency communication (e.g. sick child) and clinical purposes (e.g. looking up a treatment, medication or communicating with clinical instructor). Students should limit non-clinical related phone use (text messages, checking for voice messages, email, etc.) to breaks.

Photography of patient, body part, staff, or clinical environment is absolutely prohibited and is grounds for removal from clinical at any Providence facility indefinitely and may result in legal action by the patient or Providence.

- The student may not share any information about patients, staff, clinical environment or learning experience via any social media venue. Doing so is grounds for removal from clinical research at Providence indefinitely and may result in legal action by the patient or Providence.
- No student is to use an iPod or other music and/or video device, cell phones, laptops or other computed devices, do homework or otherwise veer from the learning experience unless on a break or the device is used to enhance the clinical research activity.

Data Access Acceptable Use Agreement for Non-Providence Workforce Members

Providence Health & Services ("Providence") requires that everyone granted access to our information systems will protect our patients' information in accordance with the Health Insurance Portability and Accountability Act (HIPAA) Privacy and Security Rules and other applicable state and federal laws.

I acknowledge that (*please initial*)**:**

_____ Providence is granting me access to systems and information owned or operated by Providence or one of its subsidiaries, and I will have access to confidential information not generally available or known to the public, including protected health information (PHI).

_____ Providence will issue me a unique user ID and password. I agree that I am not permitted to share this user ID or password with anyone. I will never share my password or leave it written down for others to find, nor will I utilize user ID and password auto save functionality on any computer or mobile device.

_____ I agree to immediately notify Providence by calling the Breach Reporting Hotline **866-406-1290**, if I have a reason to believe that any other person may know my user password.

_____ I understand my computer account and password will be considered my computer signature, and I will protect it accordingly. I will keep PHI out of sight and secure it when not in use to prevent unauthorized access.

_____ Federal and state laws protect Providence information to which I will have access, and I will abide by those laws. I understand what qualifies as PHI and that I am required to comply with the HIPAA Privacy and Security Rules.

_____ I agree that I will not access Providence information for which I have no legitimate need. I will not access my own records or records of my family members. I will only access minimum necessary information for which I have a legitimate reason. I understand all activity is tracked based on my user ID.

_____ I agree that I will hold Providence information in strict confidence and will not disclose or use it except (1) as authorized by Providence; (2) as permitted under written agreement between Providence and the Organization named below or myself; (3) consistent with the reasons for my access; (4) solely for the benefit of Providence, its patients, its members, or its other customers; or (5) as required by applicable law.

_____ If I am a member of a Providence medical staff, I understand I may be given access to certain tools as an important part of the delivery of medical services to Providence patients and I will use the tools to benefit Providence patients while engaged in activities that benefit Providence or its patients. I understand that the continuing medical education (CME) I may redeem from these tools is provided to me as a medical staff incidental benefit. I indemnify Providence for any liability if this benefit is not compliant with applicable law.

_____ I understand that e-mail is not a secure, confidential method of communication. I will not include confidential patient information in e-mail communications, unless using an approved secure email method.

_____ I understand that should I need to use Providence network, email, or telephone, it is a privilege that may be revoked if I misuse these services. I also understand that these services may be monitored and audited by Providence.

____ I understand that should I need to work with Providence data outside of the systems to which I am granted access, I will use secure methods to dispose of files or documents containing PHI or other confidential information.

____ I understand that if I breach the terms of this agreement, applicable Providence privacy and/or security policies, or applicable law (including without limitation the Health Insurance Portability and Accountability Act (HIPAA) and the Health Information Technology for Economic and Clinical Health (HITECH), Providence may terminate my access, and Providence will be entitled to all remedies it may have under written agreement or under applicable laws, as well as to seek and obtain injunctive and other equitable relief, or contact law enforcement.

____ I will report all suspected privacy and security incidents immediately, but no more than 5 days from the date of discovery, to Providence's toll free **Breach Reporting Hotline number at 866-406-1290**.

I acknowledge that I have read and understand the Providence Non-Employee Data Access Acceptable Use Agreement.
